

Dear Friend,

It's great you've down-loaded this pack – it means you must be getting ready to take your first assignment as an Urban Angel. Well done girl and a huge thank you for joining in.

This is where the fun begins! You have so much to give and by rallying your pals to raise some money, you are part of building something amazing for people who right now don't know just how amazing they are. Together we can make a huge difference.

On behalf of all those your giving will help, thank you.

Love Charl

## THIS URBAN ANGEL PACK CONTAINS

- **Fundraising ideas**

We've come up with a whole range of ideas that you can use to raise money, but don't stop there - be creative and come up with your own ideas.

- **Sponsorship form**

This form is for you to use if you are arranging a sponsored event.

- **Paying in slip**

Once you've raised some money, send it in to us using this form, we want to find out how you raised the money.

## FUNDRAISING IDEAS

Speak to your friends about all these great initiatives and get them involved by either sponsoring you or helping you with an event! Here are some ideas:

### SPONSORED EVENTS

You can either download our sponsor form template or set up a on-line form on fundraising sites like [Justgiving.com](http://Justgiving.com).

- Marathons, runs, walks, toddler trots – whatever your ability, you can either join in with an existing event or plan your own in playgroups, schools, churches or your local community.
- Dare-devil activities – parachute jumps, sky diving, bungee jumping - for the brave amongst us! There are lots of pre-arranged activities available if you fancy a challenge.

### EVENTS

These are great to do with a group of friends!

- Table top sales at local events – perhaps garage sales, car boots, local fairs or markets. If you don't have enough of your own stuff, why not ask your neighbours or family members to donate things?
- Host a shoe, bag, cosmetic or gardening party to raise awareness of the amazing organisations Urban Angels is partnering with.
- Classic coffee morning – why not organise some coffee and cakes and gather friends for a morning of kindness and influence? Host either in your own home, or in a local café.
- Birthday parties – why not organise a birthday party but ask everyone to make a donation to Urban Angels rather than bring a gift?
- Baby shower – but with a twist, this is a shower for the babies in Africa we are helping. Everyone coming to the party needs to bring a donation towards the needs of the women in Watoto.

## FUNDRAISING IDEAS

### THINGS YOU CAN DO AT WORK

- Buy, make, or get donated some cakes or biscuits to sell at your place of work.
- Do a monthly raffle with a prize of a box of chocolates or a bunch of flowers for colleagues or customers.
- Plan a non-uniform day and ask each member of staff or student to donate £1.
- Get a money box and leave on reception collecting small change from customers and colleagues. Or see who can bring the biggest amount of loose change into work - it all adds up!
- If you run your own business you could ask all your customers to donate £1 to every order for charity.
- Donate your lunch. Ask your work colleagues to donate £3 when they buy their own lunch to buy lunch for a family in Africa.

### COMMUNITY IDEAS

- Supermarket bag packing – gather a gang of you and approach your local supermarket to do bag packing. A morning at a busy checkout will raise you hundreds of pounds in a matter of hours (and it's a lot of fun being kind to hassled shoppers!)
- Busking – if you have a talented group of friends, why not do a spot of busking? Make sure you do so legally but a few hours singing or playing in a busy city can make a fair few quid!
- Run a toddlers morning with pals - face painting and fun games and ask the mums to donate to the welfare of other toddlers.
- Car wash – if you are feeling ambitious you could set up a full valet service for your neighbours!
- Clothes donation day - get your friends, colleagues and neighbours to donate the great clothes they no longer wear then auction them off – finances raised go to Urban Angels!
